#### **Directions to San Ramon by car from San Jose Airport**

- From airport, turn left and take Highway 880 North to Oakland.
- Stay on 880 North until you get to the Mission Blvd / 680 North offramp in Fremont. This exit is approximately 15 miles north of the San Jose airport.
- Get off at the Mission Blvd offramp and go straight for about 1 mile then, get on the freeway again.
- You are now on 680; stay in the right hand lane when approaching the onramp to take 680 North to Sacramento.
- Stay on 680 North for about 20-25 miles.
- Get off at Bollinger Canyon offramp in San Ramon.

#### **Directions to San Ramon by car from Oakland International Airport**

- Take 880 South to the 238 interchange.
- Stay in the left lane; 238 will automatically merge into 580.
- Stay on 580 until you see 680 interchange (to Sacramento).
- Stay on 680 until you come to Bollinger Canyon Road.

#### **Directions to San Ramon by car from San Francisco International Airport**

- Exit airport (or rental car agency).
- Take Hwy 101 South.
- Exit Hwy 92 East (Hayward / San Mateo Bridge).
- Continue over bridge (approximately 10 miles).
- Take I-880 North to I-238 East.
- Follow I-238 East to I-580 East (Stockton).
- Follow I-580 East to I-680 North (Sacramento).
- Take Bollinger Canyon exit; get in right lane. At light make right turn.
